

GREEN INITIATIVE IN CORPORATE GOVERNANCE : GO PAPERLESS

"The Ministry of Corporate Affairs had taken a "Green Initiative in Corporate Governance" by allowing paperless compliances by Companies through electronic mode. In accordance with the circular no. 17/2011 dated 21/04/2011 and circular no. 18/2011 dated 29/04/2011 issued by the Ministry, Companies had started the practice of sending various notices and documents, including Annual General Meeting and Annual Report, to its shareholders through electronic mode to the registered e- mail addresses of shareholders.

If you wish to receive communication on your email address, please communicate the said working e-mail id by sending of green initiative request form after filling in the postage envelope/Courier. You can alternatively scan the form after putting your signature and e-mail to shareholders@tmbank.in or secretarial@tmbank.in with the subject line 'Green Initiative' so that we can send future communications and papers to you in electronic mode to save time and to save trees.

We are sure you would appreciate the "Green Initiative" taken by MCA and as a responsible citizen you will whole-heartedly support this initiative.

This move by the Ministry will benefit the society at large through reduction in paper consumption and contribution towards a Greener Environment. It will also ensure prompt receipt of communication and avoid loss in postal transit."
